

Direct School Admission (DSA-SEC) in Yishun Secondary School

General Information about Direct School Admission (Secondary) 2024

The Direct School Admission-Secondary (DSA-Sec) scheme provides students with the opportunity to seek admission to a secondary school, based on a diverse range of specific academic and non-academic achievements and talents that they can demonstrate beyond the PSLE.

From 29 April 2024, application for DSA-Sec can be submitted through the online DSA-Sec Portal. The application is free-of-charge and will be open from 29 April to 29 May 2024. For more details, please refer to MOE website – <https://www.moe.gov.sg/secondary/dsa>.

Parents and students are encouraged to choose schools wisely based on the student's aptitudes and strengths, bearing in mind the school's academic and non-academic requirements, and the programmes available to develop the area of talent.
