### **Green Efforts in YSS**

As part of our effort in promoting sustainable waste management practices, the school participated in the Recycle@NorthWest in 2023.

Recycle@NorthWest (Schools) works closely with schools within the Northwest District to instill good recycling habits in our students. The programme encourages schools to set up recycling points, where students collect recyclables and put proper recycling knowledge to good use.

We are pleased to share that our school had collected 3120 kg of recycling tonnage for year 2023.

### **E-payment Option in YSS Canteen and Bookstore**

The school has implemented the POSB Smart Buddy as an e-payment option in the canteen and bookstore. From 24 Jun 2024 onwards, students can opt to use e-payments for their purchases at the canteen and bookstore.

### **Adjustment of canteen food prices**

In the recent 1-2 years, we have seen a significant inflationary trend in food prices from the Department of Statistics and NEA's hawker price survey. Our canteen price was just adjusted in 2022, and to ensure that our canteen price range reflects these cost pressures, our canteen set meal (consist of rice, meat, vegetables and fruit) will be adjusted from \$2.20 to \$2.50 effective 24 June 2024.

### **School Celebrations in Term 3**

We will celebrate the following in Term 3:
