

The Curriculum and Approaches to Learning		Key Programmes / Competitions
In line with the requirements of Upper Secondary Literature in English syllabus, the teaching of Literature at YSS focuses on creating opportunities for students to explore a text and to guide them to respond to the text holistically. The students will also learn to analyse the writer's craft and its effects on them. Through this analysis, students will in turn, remain open to multiple perspectives and explore the possible interpretations of the text.		<ul style="list-style-type: none"> Enrichment : Attending a play National Schools Literature Festival: Unseen Poetry debate
