## DPP – Direct-Entry-Scheme to Polytechnic Programme

DPP allows Secondary 4N(A) students to be admitted directly into selected 2-year Higher Nitec courses at ITE without having to sit for the O-Level examinations. DPP students who successfully complete their Higher Nitec courses at ITE and attain the required qualifying Grade Point Average (GPA) scores are guaranteed a place in a polytechnic diploma course mapped to their Higher Nitec course.

**DPP:** [go.gov.sg/applydpp](http://go.gov.sg/applydpp)

## PFP – Polytechnic Foundation Programme

PFP is a one-year programme that offers a practice-oriented curriculum taught by polytechnic lecturers to better prepare polytechnic-bound Secondary 4N(A) students for entry into a polytechnic diploma.

Starting from the AY2026 PFP intake, students will be admitted into a PFP cluster, and progress to one of the diplomas within the cluster after completing the one-year programme.

The exceptions are Diploma in Nursing, Diploma in Early Childhood Development & Education, and Diploma in Tamil Studies with Early Education, for which students can be admitted either via the diploma-specific PFP or the relevant PFP cluster.

- Multiple Progression Opportunities after ITE

# Key Pointers for Students on ITE's Joint Intake Exercise (JIE)

ALL students in N(T) and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.  
Those who were unsuccessful in EAE are also eligible for JIE.

*Apply in the 1st JIE main phase in December.*

Use all 12 JIE choices wisely,  
as competition for 3-year Higher Nitec courses is keen!

Do consult your teachers / ECG counsellors to help you make your choices!

Do use the Last Aggregate Score (LAS) published in ITE's admission portal to help you make your course choices.

You are eligible for Enhanced Foundation Programme (EFP) if you receive an invitation letter to the EFP addressed to you and a copy of invitation letter for your parent/guardian.

If you are eligible for EFP, make sure you apply for both the 4-Year Course.

The EFP helps to build the necessary literacy and numeracy foundations!

If you are counter-offered a course, accept it first to secure a place in ITE, before appealing for another course you may be more interested in!
