Dear Parents/Guardian

Letter from the Principal (Term 2, 2020)

Greetings from Yishun Secondary School.

Please take note of the important school matters and key events for Term 2.

(A) Precautionary Measures Against COVID-19

National School Games (NSG)

The NSG remains suspended in Term 2. However, Sec 1 to Sec 3 students in Sports Co-curricular Activities will continue their regular training in school.

Direct School Admission (DSA)

For DSA, students' potential and personal qualities related to a talent area will be considered over past achievements. Equal considerations will be given to all students who apply for DSA and they will not be penalized for not participating in NSG.

LEAPS 2.0

Students will not have an unfair reduction in their co-curricular attainment due to the suspension of activities. The school will continue to provide holistic student development experiences while implementing precautionary measures. For example, Sec 4 Uniformed Group (UG) cadets would have completed the core programme required for promotion in Sec 3. For pinnacle leadership in Sec 4, the school has the autonomy to promote deserving students. For activities previously organized by HQ, the school will re-format these into school-based equivalent programmes.

Visitor Registration Form

All visitors to the school will need to complete a registration form with their contact details and have their temperature taken before they are allowed to enter the school.

(B) Time-table Matters

Based on feedback from teachers and students, changes to the time-table will be made in Term 2 to optimize teaching and learning. 1.5 hour time-slots for some subjects have been removed as both students and teachers find the timing too long and lessons become ineffective after a while. However, subjects that need longer lessons will continue to have them. To better support our students in their learning, additional periods will be added to the following subjects,

- Lower Secondary Geography and History
- Lower Secondary Art (2NT)
- Upper Secondary Mother Tongue 'B' syllabus
- Upper Secondary Science
- Principles of Accounts

The Term 2 time-table will be available on the school website on Sat, 21 Mar 2020 at 5 pm.

(C) Weighted Assessment 2 Schedule (Sec 1 to Sec 3)

The Weighted Assessment (WA) for Sec 1 to Sec 3 will commence from Term 2 Week 1 on Tuesdays from 8:00 am to 9:00 am. Students must report to school by 7:30 am for the scheduled WA. Lessons will resume after 9:00 am. Please refer to the school website for the schedule.

Students who are absent for WA due to illness must produce a medical certificate from a certified doctor upon his/her return to the school. The medical report/statement must clearly state the doctor's diagnosis, certifying that the student is unfit to take the test/exam. Medical certificates without the doctor's diagnosis are considered not valid. Students who do not produce any medical certificate will be given zero mark for the paper they have missed. Medical certificates issued by the Traditional Chinese Medicine (TCM) practitioners and letters from parents will not be accepted as valid reasons.

(D) Timed-Practice Schedule (Sec 4 and Sec 5)

To better prepare the graduating classes for the Mid-Year Examination in Term 2, they will be sitting for timed-practice papers during the WA period on Tuesdays.

(E) March School Holidays Assignment

Holiday homework have been assigned for students during the coming March holidays. We seek your help to ensure that your child/ward spends some time each day to complete the assignments. The list of holiday assignment can be found on the school website after Fri, 13 Mar 2020.

(F) Co-curricular Activities (CCA)

The last day of CCA training for our graduating cohort is Fri, 13 Mar 2020. From Term 2, they will spend more time in consultation with teachers and focus their attention on preparing well for their upcoming national examination.

(G) Socks with "YSS" Logo

Students must wear socks that are approved by the school with "YSS" logo embossed above the ankle from Term 2 Week 1.

(H) Key Events

Student-Leaders Investiture Ceremony 2020

This event will be held on Fri, 17 Apr 2020 during the weekly Assembly Programme.

34th Speech and Prize Presentation Day

As the 34th Speech and Prize Presentation Day has been cancelled due to the COVID-19 situation, the school will recognise the achievement of students in their academic and co-curricular activities during the weekly Assembly Programme on Fri, 24 Apr 2020.
